## Fabri-Kal Announces Addition to SideKicks® Containers Line

**KALAMAZOO, Mich. (December 13, 2018)** – Fabri-Kal, known for their exceptional customer service and product quality, is excited to announce the addition of two sizes to their SideKicks Containers line. Now available in a full range of sizes, stylish SideKicks Containers are ready to take on today's latest food trends.

SideKicks Containers have a sleek and convenient design that will maximize your takeout and delivery options. These containers are microwavable and can be used in both hot and cold applications. The secure, leak-resistant lid makes the line ideal for prepared foods, takeout and delivery.

The new 12 and 16 oz. SideKicks Containers are available now. Like all Fabri-Kal products, this versatile line of containers is proudly made in the USA. SideKicks Containers are available in a variety of sizes: 4, 6, 8, 12, and 16 oz. with an interchangeable, clear vented lid.

For more information about SideKicks Containers and Fabri-Kal, visit [www.fabri-kal.com](http://www.fabri-kal.com).

### **About Fabri-Kal**

Fabri-Kal is a leading provider of foodservice and custom thermoformed packaging solutions. One of the largest thermoformers in North America, Fabri-Kal's customer base includes foodservice operators and consumer product manufacturers. Fabri-Kal specializes in a variety of materials including renewable agricultural fiber. Headquartered in Kalamazoo, Mich., and in continuous operation since 1950, Fabri-Kal employs more than 1,000 people in five manufacturing, printing and warehousing facilities throughout the United States. More information about Fabri-Kal may be found at the company's website, [www.fabri-kal.com](http://www.fabri-kal.com).
