Fabri-Kal Hires New President

Fabri-Kal is pleased to announce the appointment of Mike Roeder as its President and Chief Operating Officer effective December 1, 2005. From a list of strong candidates, Mr. Roeder was unanimously selected by a committee representing Directors and Shareholders.

A 21 year veteran of the packaging industry, Mr. Roeder has held various management positions in both the flexible and food packaging businesses. Previously, Mr. Roeder was President of Reynolds Food Packaging, an Alcoa business based in Lincolnshire, Illinois. He received his BSEE degree from Virginia Tech and an MBA from Virginia Commonwealth University.

Headquartered in Kalamazoo, Michigan and in continuous operation since 1950, Fabri-Kal is one of the largest packaging thermoformers in North America. Fabri-Kal has over 800 dedicated employees at three manufacturing facilities. For more information about Fabri-Kal, visit the company's Web site at www.f-k.com
